

Child & Adolescent Anxiety Practice  
260 Madison Ave  
New York, NY 10016

**Interested in getting hands-on experience with  
tweens/teens with selective mutism (SM)?**

# **Volunteer to be a WeSpeak mentor!**

## **What is WeSpeak?**

- Behavioral group intensive in a stimulated school setting
- Systematically exposes tweens/teens to talking in anxiety-provoking situations

## **What do mentors do?**

- Provide one-on-one scaffolding and support
- Receive training and supervision by Dr. Shelley Avny in working with this population

## **Winter 2020 Session**

December 26-29 (lead Dec 22023): 12-16 year-olds

*Location:* WeSpeak at 26 Broadway, lead-ins at 260 Madison Ave  
(in Manhattan)

**\*\*We are hoping to run a full in person WeSpeak program in December 2020. If we are not able to run the program in person, we will be running the next program in Summer 2021.\*\***

Graduate students, mental health professionals, and speech/language pathologists are encouraged to apply!

(we also welcome undergraduates with extensive SM experience)
